Are you ready to power up your career? At Slope Electric Cooperative (SEC), we're on the lookout for a part-time Member Services Representative I (MSR I) to join our team. We're not just another employer; we're a passionate, forward-thinking cooperative dedicated to providing unwavering support to our valued members.

Why Choose SEC? Our commitment to our employees is strong, just like our commitment to our members. We believe in a supportive work environment that not only allows you to thrive professionally but also ensures a healthy work-life balance. Here's what you can expect:

- **Competitive Compensation:** Simple! Hard work deserves recognition and rewards.
- **Ideal Work-Life Balance:** Time is valuable! We are committed to the importance of balance.

Key Responsibilities:

As a MSR I at SEC, you'll have the opportunity to actively participate in the development of member programs and policies that provide benefits and support to the cooperative membership. Maintain a high level of cooperative satisfaction through member education, enhanced issue resolution, and developing positive member relationships.

Qualifications:

We're looking for someone with the right blend of experience and skills:

- An associate degree with an emphasis in a job-related field or prior work experience that demonstrates the direct skills and abilities to perform the position's essential responsibilities.
- Experience utilizing office automation technology and personal computers (Microsoft Word, Excel, Outlook)
- Valid North Dakota Driver's license.

Ready to Power Your Career? To discover more about Slope Electric Cooperative, delve into the full job description, and explore additional job postings, visit our website at www.slopeelectric.coop and click on "Member Information/Job Openings."

To apply, send your cover letter, resume, and the completed SEC employment application to hr@iea.coop. This opportunity will remain open until filled.

At SEC, we don't just offer a job; we provide a platform for you to shine. Join us and become an integral part of our commitment to delivering innovative energy solutions while fostering strong member relationships.
